

Tracker3-Self-Test-Report.txt

Tracker3 Self-Test Results

Test Date: 2016/2/23

Serial Number: Available under battery cover.
Firmware Revision: R3.3
Temperature Sensor Test: Passed -Verifies temperature sensor
Temperature: 25C -Current temperature
Battery Test: Passed -Verifies battery sensor
Battery Percentage: 81% -Current battery percentage
Self Tune Test: Passed -Verifies automatic tuning circuitry
X Antenna Test: Passed -Verifies X antenna operation and self-tune capabilities
Y Antenna Test: Passed -Verifies Y antenna operation and self-tune capabilities
Z Antenna Test: Passed -Verifies Z antenna operation (self-tune not needed on Z)
Accelerometer Test: Passed -Verifies motion sensor
EEPROM Test: Passed -Verifies external memory
Radio Test: Passed -Verifies radio characteristics are acceptable
Factory Calibration: Passed -Verifies proper factory calibration
Factory Tune: Passed -Verifies proper factory tuning
